

Join the Parade

**Granada Hills Christmas Parade
Sunday - December 4, 2011**

It is official, St. Martin's School is entry number #90 in the Granada Hills Christmas Parade! It's time to put on a St. Martin's uniform and show your school spirit. Here are the fun details you will need to know.

Due to parade area restrictions, we will gather at the Lozano home between 10:00—11:30 a.m. (**See reverse for directions**). From there we will load shuttle cars of St. Martin's parade participants to the staging area located in Petit Park. We have to be in formation and ready to go at 1:00 p.m. The parade begins promptly at 1:30 p.m. rain or shine!

Should you want to take your family directly to the staging area in Petit Park. We suggest that you go early to secure street parking and walk to Petit Park (south corner of Petit Avenue & Chatsworth St. in park area near covered tent). There are over 4000 people marching in the parade. Remember, you alone are responsible for safety of your children. This is not a drop & run event. Do not leave them without adult supervision. We have to be in formation at 1:00 p.m. Parents not marching in the parade can go to our St. Martin's School parade watching spot located at Chatsworth & Yarmouth. At this time, we will have designated parents walking alongside our group during the parade (**See reverse for map**).

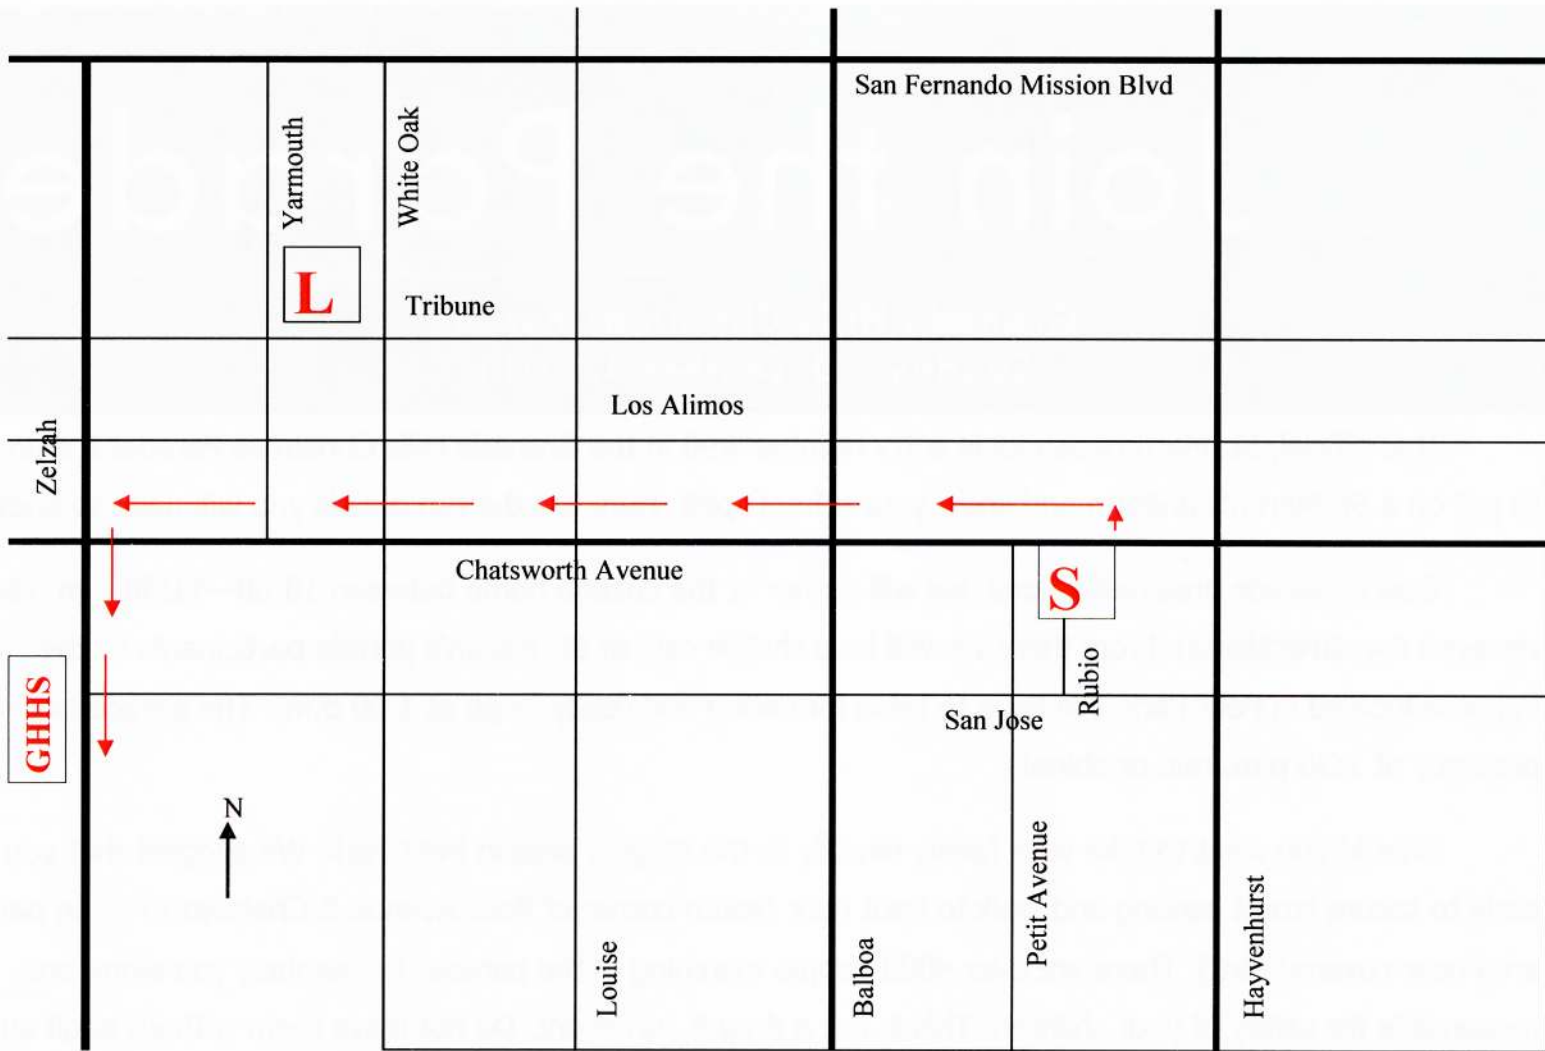

At the conclusion of the parade all groups are sent to the Granada Hills High School parking lot. We will take a short walk as a group back to the Lozanos' home or families may walk their children directly from this lot to your cars. You will not be allowed to drive through to pick up your children from this "permit only" disbanding area.

It's going to be important to get an accurate head count of participants, so make sure that you have completed a participation form & send it to the school office. This will help us notify participating families of any changes of our plan. Let's get as many students as possible marching on this great fun day.
